August 2024,

NCAPAHS Digital Learning Program

Dear Parent / Guardian

Access to technology is essential in a future-focused learning environment. At Northmead Creative and Performing Arts High School, we value the rich learning experiences that technology provides and recognize the importance of equipping students with the tools of 21st-century learning. Our **Digital Learning Program** empowers students, giving them direct involvement in how they use technology to enhance their education.

Our **Digital Learning Program** allows students to use their own device within the classroom for educational purposes. Using this technology provides students with the opportunity to research, work collaboratively and share information and ideas using tools such as G Suite, apps developed specifically for education.

Parents are required to purchase a device for their child to use in this program, with Chromebooks being our preferred option. Our school's partner JB Hi-Fi Education Solutions provide our parents and caregivers with device purchasing opportunities for our Digital Learning Program. The benefit of purchasing through JB Hi-Fi is that repairs can be completed on school premises, ensuring a quick and easy turnaround with their onsite warranty during the first 12 months. Also the devices available through the education portal are designed to be more rugged to suit every day school life.

JB Hi-Fi's package includes the Lenovo 100E for \$405; and the Lenovo 500E Yoga for \$644. Also available are Windows devices which are the Lenovo 100w \$484; Lenovo 300w \$625 and the Lenovo 500w for \$770..

Various payment options are available through their site.

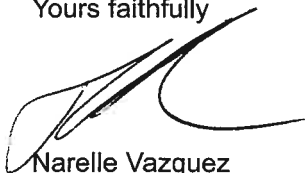

Also on the JB HI-FI site there is the opportunity to purchase accessories such as bags and Accidental Damage Insurance..

For additional support or questions with regards to purchasing through JB Hi Fi contact JB Hi Fi Solutions for Education on 1300730548.

Information and online purchasing can be completed at <https://byod.jbhifi.education/>
School code: NTHCAPABYOD

If you wish to discuss the purchase of the Chromebook, please contact Ms Scott at school on 96304116.

Yours faithfully

for 
Narelle Vazquez
