Principal Matters

A Warm Northmead CAPA Welcome

It is my great pleasure to inform you that Mr Mark Milne has joined the Senior Executive Team as Deputy Principal. Mr Milne has previously worked at Chester Hill High School, a TAS teacher with a depth of experience in a range of whole school management. Mr Milne will be a wonderful asset to our school, he is keen to get to know students and parents. I know you will all make him feel very welcome.

Welcome to Winter

Unfortunately as the colder weather emerges students are not as conscientious in wearing the appropriate uniforms. Uniform continues to be the symbolic representation of our school, its students, curriculum and academic achievements of our students. The expectation is that all students will wear the school uniform every day (This is not negotiable) and convey to our community, the high standards that are not only expected but achieved by our students.

Students have been preparing for, and completing their Half Year Assessments. I hope the schedules prepared for parents enabled you to assist your student in preparation for these important assessments. Reports are also being prepared and will be delivered to students by the end of term.

The Year 12 Reports map the individual's achievements and its relationship to all the other students, demonstrating the breadth of a student's achievement. This feedback will be vital for Year 12 as they prepare for the HSC Trials in Weeks 1 and 2 Term 3. Reports should be issued in the next two weeks. I strongly advise Year 12 to reconnect with their mentors to ensure that they have every advantage as they approach the Term 3 important assessments.

Many individual students should be congratulated on their achievements. Parissa and Neda Bahrami have secured The Friends of Zainab Senior Secondary Scholarships. Well done girls!
Year 11 girls: Kaylah Walsh, Chloe Ticehurst and Zara Stuu represented Northmead CAPA High School at the annual Model United Nations Assembly (MUNA). They did a wonderful job of representing our school during the General Assembly and throughout the informal parts of the day. Not only did the girls promote a very positive image of

Principal Matters

Northmead but they had the opportunity to experience democracy at work and to deepen their insight into the workings of the United Nations. Congratulations are also due to Anya Huxtable-Jones who won a scholarship at the 2016 Global Dance Convention. This event was attended by hundreds of dancers who had the wonderful opportunity to work with choreographers from America in many different styles of Dance. Out of the hundreds of dancers, only one student won a scholarship at the intermediate level. Anya was recognized as having the potential to become a professional performer. Well done Anya, an amazing accomplishment !

Four students from Northmead Creative and Performing Arts High School attended the annual Dance Off Senior Camp this year. Dance Off is a DEC funded initiative. As a result of the camp, the following students were selected as a member of the '*Dance Off Troupe.*'

- Emily Page
- Kaleisha Pearse
- Shaylee Pearse
- Isabella Corbett

The troupe has successfully auditioned for the 'Synergy Dance Festival' at Evans Theatre and the 'PULSE Showcase of Excellence' to be held at the Opera House later this year. Congratulations girls, a fabulous achievement.

A group of students from Years 8-11 have had the rare honour of working with an international educator, Yong Zhao. This exciting initiative is in conjunction with the Mitchell College, Melbourne University. Together this group of students is designing a learning experience that will enhance their creativity, critical thinking, collaboration and entrepreneurship skills. The team of students is ably led by Kerim Col and Chloe mTicehurst (Year 11). Each week the team meets to develop their project further. I can't reveal too much more at this stage but I do know it is an initiative that is tapping into the potential of personalized learning in the 21st Century. I can't wait for all to be revealed!

Model United Nations Assembly

On Saturday 21st May, three students from Year 11 travelled to NSW Parliament House to attend the 2016 Model United Nations Assembly (MUNA). MUNA is a project organised and sponsored by Rotary to build international understanding and promote goodwill for world peace.

Each of the 25 schools participating on the day were allocated a country to represent at the General Assembly. Northmead Creative and Performing Arts High represented Taiwan on the day. Our representatives Zara Stuu, Chloe Ticehurst and Kaylah Walsh dressed in national costumes, participated in debates and adopted the principals of the United Nations Assembly to address issues that are pertinent to world political and social issues.

The event provided an excellent forum for students to develop and practice their public speaking skills whilst debating topical world issues with students from across Sydney. All three girls are to be congratulated for their exemplary representation of the school and as senior students, gained invaluable experiences.

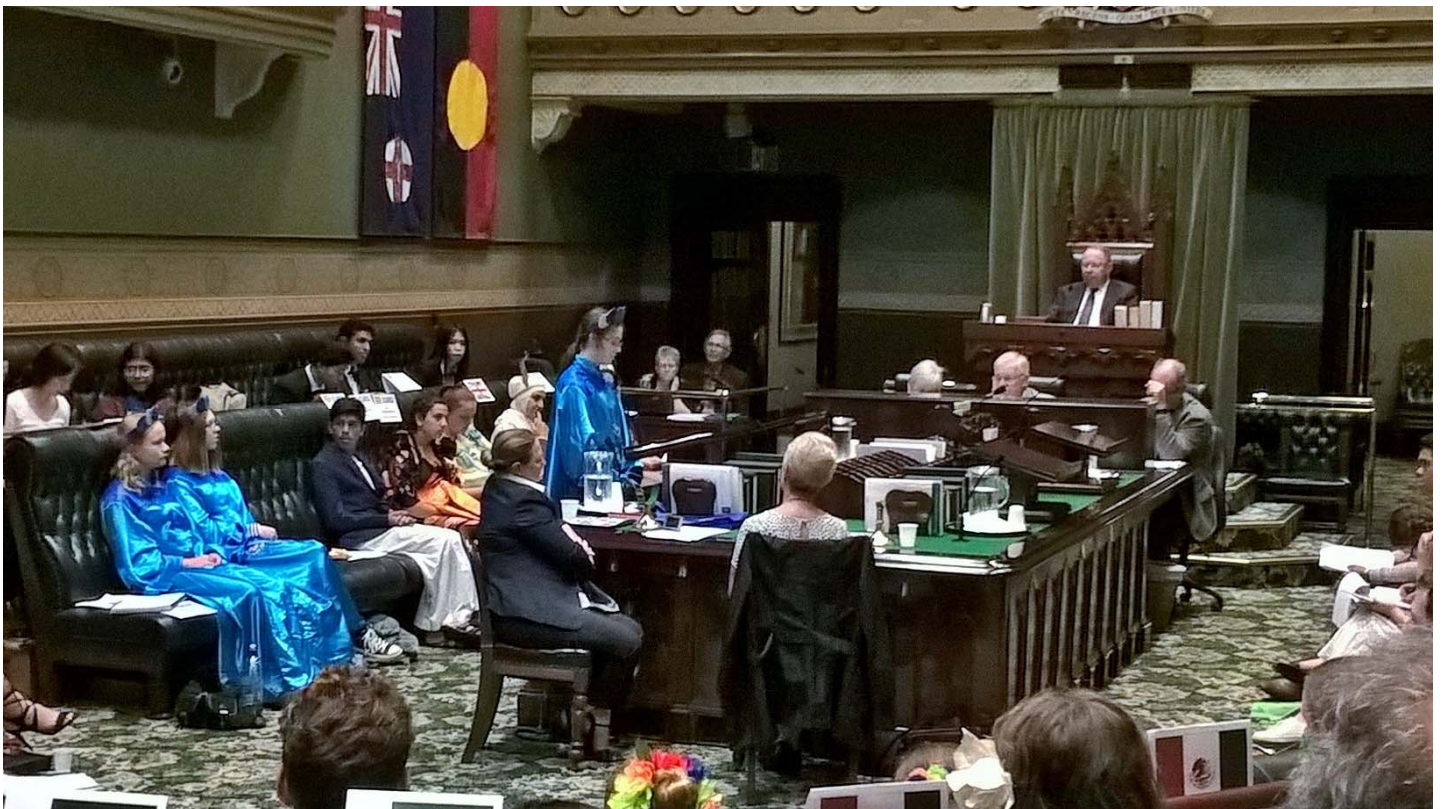

'MUNA was an amazing opportunity which I am honoured to have participated in. It was an enjoyable day and I feel that I have learnt and improved my public speaking and researching skills significantly through my involvement. It is a valuable experience that I would recommend to any student interested in public speaking, politics, history, or the United Nations in general.' - Chloe Ticehurst

'An incredible experience, the chamber was beaming with talented students who were very passionate about their chosen country. Would highly recommend this scholarship to anyone interested in law, social justice and history.' - Kaylah Walsh

'Last Saturday I was lucky enough to compete in MUNA 2016. I got to meet some wonderful people. It was an exciting and fun day. I have improved my research and public speaking skills. Thanks to the CAPA department for the Taiwanese inspired costumes. I recommend this day to any student who loves public speaking and politics.' – Zara Stuu

Many thanks to Rotary for sponsoring our students to attend the event and Rotarian Margaret Thorn attending and providing additional supervision and support on the day.

Prefect Update

February/March/April/May

The prefects have been involved in some leadership training experiences and community service projects during the past few months. Some of the highlights have been;

The Zonta Club – members from the Hills Zonta Club worked with 16 senior students, teaching them about International Aid and showing them how to put birthing kits together to send to African women living in remote areas. The students helped make 600 birthing kits during the work shop which could help save the lives of hundreds of newborn babies. Well done!

Prefects

International Women's Day – Model Farms High School

Model Farm's High School invited our school to attend their International Women's Day Luncheon. They had fabulous speakers that addressed women in leadership roles in business, the local community and internationally. Kaylah, Zara and Adelle represented our school and met other young women in leadership roles that have plans to make a positive difference in their communities.

Prefects

Schools Anzac Memorial, Hyde Park

The Parramatta RSL invited our school to attend the annual Schools Anzac Memorial in Hyde Park. We had 20 students keen to attend and represent our school community. The service was very reflective and honoured men and women who serve their country for the sake of peace and ultimately our freedom. Our school was invited to lay a wreath in honour of the fallen and soon the memorial steps were abundant in floral tributes from the many schools that attended the service. Thank you to the Parramatta RSL for providing free transport for our students to be able to attend.

The Dawn Service

Our school captains Annie Joyce-Brown and Suren Missaghi attended the Dawn Service at Prince Alfred Park, Parramatta at 4am on 25 April. Suren and Annie represented our school community and lay a wreath on our behalf in respect of the fallen.

Northmead CAPA High School's Anzac Memorial

Our school community commemorated Anzac Day on return from the school holidays. We had special guests from the Parramatta RSL Club, NSW Vietnam Veterans Peacekeepers and Peacemakers Association, Minimba Transition to Work Team, Unity Care Residents Constitution Hill and P&C representative. The prefects hosted the assemblies in a very respectful manner and I commend all students that participated on being such wonderful role models in our school.

Young Men's Forum, Parramatta City Council

Five young men from our school attended a workshop run by Parramatta City Council to address issues that young men face in our society today. Justin, Lachlan, Kushal, Ewan and Cooper thoroughly enjoyed the workshop and valued sharing views and opinions about many topics with other young men from local high schools. A youtube clip can be found that shows a snap-shot of the day. It is titled,

Northmead Dancer Wins Award

Northmead Creative and Performing Arts High School student, Anya Huxtable-Jones, was awarded the Intermediate scholarship at the 2016 Global Dance Convention. Hundreds of dancers from NSW attended the 2 day event, at Sydney Olympic Park, with choreographers from America sharing tips and teaching them dance routines in Jazz, Modern, Hip Hop, Musical Theatre, and Salsa. At the conclusion of the event one student from the Junior, Intermediate and Advanced groups were recognised as having great potential to become a professional performer and they will receive free admission to next year's conference. Congratulations Anya on this wonderful achievement.

Mrs Williamson

Northmead Creative and Performing Arts High it

Good Afternoon Mrs Williamson

Phoebe Volpes has been selected by the Australian Institute for Performing Arts (AIPA) to attend The Actors Intensive, Los Angeles Talent Development Programme (High School) April 2016. To be selected is a huge honour and a testament to Phoebe's talent, discipline and determination.

The three week programme dates are Monday 4 April – Friday 22 April 2016.

As an educator, I believe that the educational and cross cultural benefits of being part of this project justify the absence from School. Phoebe will be attending workshops and classes each day. They will be taught by some of LA's best teachers, industry professionals for screen and A Grade Casting Directors through a three week intensive programme.

The programme has been built by qualified teachers and industry professionals both in Australia and Los Angeles. Taking part will involve a solid commitment.

I thank you in advance for supporting Phoebe. She is a wonderful young, talented performer.

If you have any questions, please do not hesitate to contact me on 02 9966 4473.
Yours Sincerely

TALENTED TEEN HAS HER SIGHTS SET ON BECOMING A STAR

IT'S Phoebe Volpes' dream to star on TV and in movies and now a tailored intensive master class in acting in Los Angeles could provide her with the springboard to achieve her goals.

The 14-year-old from Rouse Hill leaves on Saturday for The Actors' Intensive (TAI) in Los Angeles and is excited about the opportunities it could offer her.

"I am thrilled to attend the classes as I will be able to learn a great deal about the industry, including auditioning, casting, how to deal with agents, et cetera," Phoebe said.

"I applied for the course after top US casting director Jane Jenkins told me I was ready for the TAI course.

"This is a great opportunity for me, as I want to take up acting.

"Taking part in the Packem Production of *Wizard of Oz* in 2013 was my first performance with a professional setup and I loved it."

During the TAI program, the confident teenager will

attend classes run by top coaches, work with casting directors and known actors, and gain hands-on training.

"I will also take part in an episode of an established web series or short film," Phoebe, who also plays the piano, violin and flute, said.

The Northmead Performing Arts High School student met Jenkins at the Screen Actors

Masterclass (SAM) run by the Australian Institute of Performing Arts. Phoebe also completed a holiday boot camp with the National Institute of Dramatic Art course last year with actor Brett Rogers.

"I have been performing in school plays since Year 6 when my teacher at Rouse Hill Public School, Elyse Donald, told me to take up acting," Phoebe said.

"I would love to get into fulltime acting for TV and films and one my highlights so far was meeting Christian Kaplan, the vice-president for Twentieth Century Fox, when he ran his self-taping class."

Bicycle Policy

Students wishing to ride their bicycle to school need to read the following and return the second page of this document with their parent's signature to the Front office.

Parents and carers are responsible for how their child travels to and from school. However, under duty of care, schools are responsible for the student once they have entered the school premises.

Since July 1 1991, cyclists of all ages have been required by law to wear a helmet. By law, all riders and passengers must wear an Australian and New Zealand Standards (AS/NZ2063) approved helmet. Helmets need to be securely fitted and fastened on the rider's head. Advice on how to correctly fit a helmet can be found in the RTA publication *Information for parents and carers about safety on wheels*.

Students wishing to cycle home from sport during school time must have the Principal's written permission and must **WALK** their bike to the venue and in the company of the teacher on duty. Once dismissed from the activity they must wear an Australian and New Zealand Standards (AS/NZ2063) approved helmet. Students without these helmets may not take part in cycling, on or off school grounds.

Children under 12 years, by law, are allowed to ride bicycles on the footpath unless there are signs that specifically prohibit cycling. Children aged between 10 and 12 years old should avoid cycling on busy roads (for example Windsor Rd). The Department of Education and Communities supports the RTA in this recommendation.

Cyclists over 12 years must not ride on the footpath unless it is signposted as a shared footpath. Cyclists, just as other road users, must comply with all road rules.

By law, bicycles must be fitted with a working brake and bell. This is a parent and carer responsibility.

Schools are obliged to notify parents and carers when a student is seen to be not wearing or incorrectly wearing a bicycle helmet when riding to or from school.

Once a student arrives at the school gates/boundary they must dismount from their bicycle and **WALK** the bicycle to the caged area adjacent to the Front office. They must provide their own lock to secure their property.

Although the school can provide an area for storage it cannot accept responsibility for theft or damage.

At the end of the school day, students put on their helmet and **WALK** their bicycle to the front gate or school boundary at which point they can then mount the bicycle for their journey home.

Eastern Creek Public School

Proud of our past, focused on our future

Celebrating 150 years

It's our 150th birthday!

Eastern Creek Public School is celebrating 150 years in 2016. If you are an ex-pupil, staff-member or community member (past or present) please register through the school to get emails with up-to-date information as it becomes available. If you know someone who should be informed of these exciting events, encourage them to visit our school Facebook page or contact the school on: (02) 9625 8112 to obtain additional information via email. We hope to reach out to as many 'Eastern Creek Public School Families' as we can.

There are a range of events happening and we would like to invite everyone to come along and help us to celebrate this exciting milestone.

Our celebrations will commence on Saturday 15th October. This is the date 150 years to the day, of the official opening of the school in 1866. A community fete is planned for Saturday 15th October to begin our week of birthday festivities. We will have rides, entertainment, a BBQ, a display of school memorabilia and a wide range of stalls for you to enjoy. Visit our Facebook page for more details closer to this event.

On Wednesday 19th October an official assembly will be held to celebrate our wonderful achievement in Public Education. On this day there will be performances, the opening of the memorial path area, an aerial photo shoot (in the formation of the numbers 150) and the cutting of our birthday cake.

Make sure you have ordered your own paver by the 1st July, 2016 so that you too can be included in our historical path. Attached to this letter is an order form with the details needed to make sure you can have a lasting memory of your time at the school.

The birthday week will continue with an outdoor family movie night on Friday 21st October. Tickets will go on sale prior to the event.

There will also be a Celebration Dinner held on Saturday 22nd October in the Waratah Room at Rooty Hill RSL. This event will be a wonderful time to reconnect with other past pupils and staff, an opportunity to share a trip down memory lane together. Again, more details will be available closer to the date.

We warmly invite everyone to come along and join us in celebrating this exciting milestone. Don't forget to mark it on the calendar, the week beginning 15th October, 2016!

Yours sincerely,

The Eastern Creek Public School Celebration Committee
