ACHIEVER OF THE MONTH - Mireille Renzaho

Mireille Renzaho of Year 10 CAPA Drama and CAPA Music has proven she is a triple threat by tackling stand up comedy in this year's Class Clowns competition.

Mireille tried out her material in the Sydney heat and progressed to the NSW State final at the Riverside Theatre Parramatta.

She is now off to represent Northmead at the national Class Clowns grand final during the Melbourne International Comedy Festival on 21st April which will be broadcast nationally.

PRINCIPAL MATTERS

As Term 1 draws to a close there are lots of exciting things to report. Currently we are in the middle of **Parent Teacher** Interviews. I know that there were some teething issues with the switch of systems to **Sentral** but I think it will be worth all the pain. This portal where you accessed all your appointments through is also where you will be able to access reports and other information pertaining to your child.

Currently Year 11 and 7 **Interim reports** are being distributed. Parents are also able to access these reports by the portal. This will mean faster more efficient delivery of reports and important information. It will also be better in terms of parents being able to maintain their own electronic copies of reports. We are hoping that the mid-year reports will be uploaded to the portal for parent convenience.

We are organising the **Celebration of Success** assemblies for Week 1 Term 2. I hope you have received your very special invitation to these acknowledgements of student effort and participation. I have to say I am delighted with the number of students who are receiving awards. These assemblies promise to be the highlight of Term 2. Year 7 and 9 are on Thursday 27th April and Years 8 and 10 on Friday the 28th April. I look forward to celebrating this moment with you and your students.

Our **School Captains:** Molly Dallas and Trent Drinnan in Year 12 are representing our school at Parliament House on Thursday this week. This program acknowledges the leadership of Molly and Trent and they will get to meet other leaders like themselves from across the state. It will also enable them to develop their knowledge of our system of government and parliamentary proceedings, and the role of the Governor General, the Honourable David Hurley AC DSC. Who knows in the future we may see more of Molly and Trent in this public arena.

Earlier in the month of March we held our **Open Day** and Open Night. It was wonderful to see so many interested prospective students and parents. We had amazing feedback and I have included one of the many letters we received from one of the parents. It was fabulous to also see so many students assisting teachers in different faculty areas and acting as guides. It was impressive to see many Year 12 students use the time to work on their major performances and/or projects for the HSC.

Dear Northmead CAPA HS,

We attended the open Day-evening session and...Wow! We were blown away.

What a school! And what a beautiful, caring dedicated team of staff.

As for your students....Your students were so eloquent, polite and not to mention talented! Such lovely kids!

We had a wonderful night and we found it both enjoyable and informative...and oh gosh, inspiring!

PRINCIPAL MATTERS

Year 7 PBL

Year 7 have just completed their Project Based Learning. There were many positive attributes that came from this project. We were fortunate enough to have two community experts join the panel: Sonia Goswami and Harleen Kaur. We thank them for their time and commitment.

Please see their letter below about what a positive, impressive experience this was for them. This might be a good time to kindly remind you to complete the survey regarding PBL.

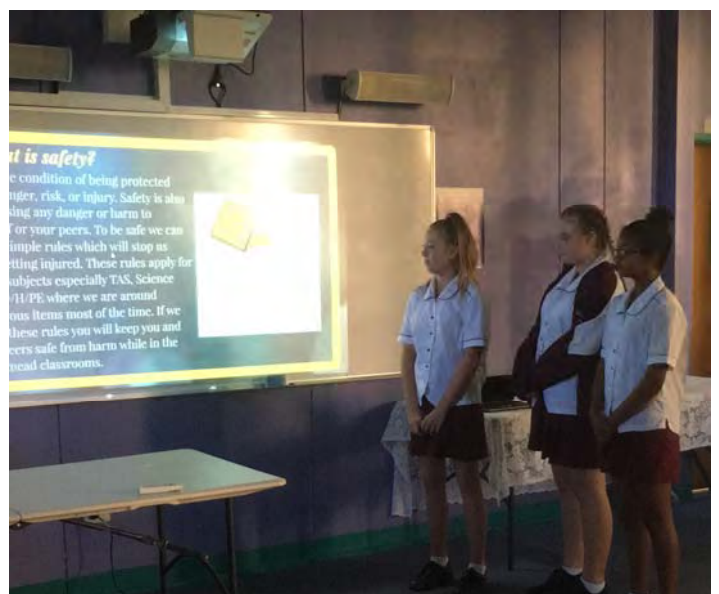

We use this data to improve on next year's experience for Year 7 and to improve other tasks throughout the year.

Dear Narelle,

On 27th March myself (Sonia Goswami; Safety Professional in NSW TrainLink) and Harleen Kaur (Works in the Research Department in the Royal North Shore Hospital) were graced an opportunity to attend Year Seven presentations from the top achievers of top achievers for the projects on Safety within school, and in particular in Labs and other practical classes.

We were impressed to experience the quality of content regarding safety articulated to us by various teams in their very well structured presentations. Their openness to interact with us and answer our questions with the confidence as High School beginners was incredible. The use of technology & techniques and the diverse methods of presentation were exemplary.

The time spent watching all the groups was such a great experience to see that they have taken safety for their age at a different level. The ideas and the creativity amongst most of the presentations is beyond expression and tell a story of your teachers, doing a great job and making a difference.

Kind Regards

Sonia Goswami

ANOTHER NORTHMEAD PROUD MOMENT - NOTE FROM BUNNINGS CUSTOMER!!!

Dear Sir/Madam

I visited Bunnings at Carlingford on Saturday. I was extremely impressed by the students who turned out in dreadful weather to run the sausage sizzle to raise funds for the school.

It was only sprinkling when I went into the shop but pouring when I left.

After I bought my sausage sandwich one of the students held an umbrella over me while I walked back to my car. How thoughtful, and what great service! They are a great advertisement for your school.

AGED CARE VISITS

Aged Care Weekly Visits

Every week for an hour after sport on Wednesday afternoons, some of our students volunteer to visit Australian Unity Care at Constitution Hill and spend some quality time with the residents. The students play card games, dominoes, naughts and crosses, have chats and sing-a-longs. Some of the residents have difficulty with mobility so we visit their room and have a chat there. This program was initiated by a past student Kareem Fawal as a Max Potential Project. He has left a wonderful legacy and so many more students have shown an interest in community service as a result.

Thank you to Mrs Kamel for her participation and assistance with transport so that more students have been able to be involved. We are very proud of the students who are participating in this program. Not only are they representing our school but they are role models of our core values; community, commitment, responsibility and respect. Great leadership! Thank you! Mrs Kennaugh

INTERNATIONAL WOMEN'S DAY

International Women's Day 2017

On Wednesday 8 March, 2017, Parramatta High School hosted a luncheon for student representatives from local high schools to attend for International Women's Day. They had prepared the afternoon by decorating their hall in purple and white colour tones, organised beautifully arranged tables and hosted a buffet lunch. The guest speakers were women in our community who have, and continue to, make a difference in our society. The speakers addressed the importance for all people to have equal rights in gaining an education, closing the gap between pay differences for different genders for the same job, and for respect for all in the workforce. They challenged the girls to aim high, that education is power and education leads to respect.

The girls were encouraged to write a goal or aspiration of theirs on a piece of coloured paper and add it to the back wall of the hall to build a 'brick wall' of their own attaining to the world they would like to see in the future.

Thank you Parramatta High School for hosting an inspiring International Women's Day event!

Students' comments: One thing I like about International Women's Day was having the courage to help change the views about women and helping each other to established that unity within us and the world around us, and also being bold to stand for our rights and liberation for the future world.

International Women's Day is a very important event recognised and celebrated all over the world. I was honoured to attend a luncheon at Parramatta High School with some other prefects. The students and principal of the school welcomed us, and we listened to some inspirational speakers address the assembly - women who have excelled in

their life and are still making a difference today. We heard their stories and learned how important education is. We had to make a "brick" to put onto a wall at the school - many people pledged for equality. The lunch was very inspirational and motivating.

Cakes! Cakes! Cakes!

This term the Year 10 Food Technology students have had an assessment task to design and decorate a cake suitable for a child's birthday in our unit of study about Foods for Special Occasions. Mrs Clifton and Mrs Scott were able to visit one of the classes and inspect the talent.....

2017 Royal Easter Show

Northmead Agriculture students are participating in this years Royal Easter Show in the Steggles School Meat Bird Competition. On the 24th February a box of cute fluffy yellow chickens arrived from major sponsors Steggles and The Royal Agricultural Society of NSW.

Agriculture students have cared for these chickens, weighing them twice a week, changing their bedding, feed and water daily. The chickens are not fed any steroids; instead they are fed a special high protein diet in order to be fully grown by 40 days of age. At 22 days of age they had an average weight of 1kg. The chickens will be off to the show on the 5th April to see how they compare against other schools.

Life on the School Farm

Year 9 Agriculture students have been busy constructing and installing raised vegetable gardens on the school farm in anticipation of growing a bumper vegetable crop this year.

OPEN NIGHT

The open night on the 14th March was a great success. From five pm to seven pm many groups of parents and students from year six, surrounding primary schools came to visit our school. The art rooms were set up with displays of year seven, eight and nine artwork in room 64 and senior and CAPA artwork in room 60. Parents and students were very interested in the work on display and asked many questions about programs and tasks that take place each term. Many people commented on the quality and variety of work around the room.

AUDITION OF YEAR 6 VISUAL ART STUDENTS

On Monday 20th March the CAPA Visual Art Audition process took place in room sixty art room. The folders and portfolios from year 6, out of area primary schools were really impressive. The thirteen students were asked to complete a fifteen minute still- life sketch in pencil. They then returned to the common room to wait for their separate interviews with Mr Auckett, Ms Sawyer and Mrs Watson. The students were confident and well-spoken and most had a wide variety of art samples from their classroom work and homework. Some have had the advantage of studying art in various private art studios and classes. Their passion and interest in art was evident especially when asked the final question by Mr Auckett. The question being, "What is your favourite subject at school?" Twelve students answered, art, of course! The other person said Maths first and art second. It was wonderful to experience the talent and enthusiasm of these year six students. We will be accepting all thirteen students into our CAPA class next year.

Griffin Theatre Ambassadors

So far, my time being a Griffin Ambassador has been an invaluable experience. I travelled into Kings Cross and I after locating the Griffin Theatre I was greeted by a huge crowd of like-minded individuals, Ambassadors. Some of the faces I knew, others I did not. However, after a fun-filled session of getting to know each other, we learned what encouraged each of us to become an Ambassador, along with what all of our favourite drama pieces and current TV shows were. Time went so quickly, and before we knew it we were off to lunch. I sat with my new Ambassador friends and we all gobbled up our food because we were so keen to get back to the theatre to see *A Strategic Plan*. If any of you have been to the Griffin Theatre before, you would know how intimate the stage is. *A Strategic Plan* fit perfectly with the stage and was extremely powerful; we were constantly on the edge of our seats, keen to see what would happen next. With reveal after reveal, I feel that I truly connected with the characters. Even though there were only four actors in the cast, their depictions of the six characters were on point. It was very effective when one of the actors had to change from an amusing businessman to a serious lawyer. After the performance, the actors came out once more for a great Q&A with the Griffin Ambassadors; everyone was excited to ask their questions. I had the pleasure of asking the cast what they found most challenging during rehearsals, to which the main responded with explaining that the overall obstacle was getting the timing of the lines down pat; this was due to the entire script being entirely of conversational dialogue. I loved the experience, and I had a great day. The next Griffin Ambassador event is just over a week from now, and I am truly looking forward to it.

Harmony Day – Locked In /Locked Out

On Friday 17th March, Drama Company performed their devised piece **'Locked In/Locked Out'** for Harmony Day. The piece was created from the stimulus Manus Island and the treatment of refugees. The students rehearsed a simple concept using a fence that rotates, showing 360 degrees of a grilled view. The piece follows one person's decision to jump the fence and the help of others showing humanity and compassion.

Drama Company explored the concept of displacement and developed this into characterisation in order to help build this emotive devised piece. The audience for Harmony Day were taken by the confronting concept and teachers commended Drama Company performance as being sad and emotional. Mireille Renzaho of Year 10 sang the song **'People help the people'** made famous by Birdie, which enhanced the emotive content. Ms Emery was very impressed with the performance and has also has sent a video audition of the piece to Schools Spectacular. Fingers crossed Drama Company is successful for a placement in Schools Spectacular 2017.

Year 8 CAPA & Elective Drama Excursion to 'Age of Bones' Parramatta Riverside Theatres

Year 8 CAPA & Elective Drama viewed the 'Age of Bones' @ Parramatta Riverside Theatres. The students thought the art of shadow puppetry and acting told a reflective story for Indonesian and Australian audiences. The students were amazed at the overall production with the use of projection enhanced the narrative being told. After the show the students experience an exclusive Q&A with the cast and the show producer. The students asked questions about the shows development, creativity and technical aesthetics with Jacob Selwood being granted the opportunity to operate a shadow puppet.

The Age of Bones (Jaman Belulang) is an Australian-Indonesian play about a boy, Ikan, who goes fishing one day and fails to return. Assuming the worst, his parents hire a legendary seafarer to look for his corpse. He finds nothing. *The Age of Bones* traces what happened to Ikan – from the day he left to his eventual imprisonment in Australia. *The Age of Bones* is mostly set under the ocean. It is a fantastical piece that will be realised on stage through

shadow puppets, video and music, as well as text. While it has a dramatic core, the play is satirical. The themes are cushioned with physical comedy and presented within a visual aesthetic that will appeal to young audiences.

Class Clowns @ Parramatta Riverside Theatres

On the Tuesday 21st March Nicholas Matzen and Mirielle Renzaho competed in the first heat of the stand-up comedy competition Class Clowns at Parramatta Riverside Theatres. Both students were absolutely amazing in presenting their 3-5 minute skit which had the audience in laughter. Mirielle Renzaho progressed to the NSW state finale on Tuesday 28th March @7pm Parramatta Riverside Theatre.

The search is on for Australia's funniest teens!!!

Class Clowns is Melbourne International Comedy Festival's one-of-a-kind, national comedy competition for teenagers in secondary schools around the country.

Many past participants have gone on to have successful comedy careers as solo stand-up performers, in sketch comedy groups, as writers for primetime television and as producers and directors. Josh Thomas, Tom Ballard, Joel Creasey and YouTube superstar Neel Kolhatkar just to name a few!

Class Clowns competition encourages teens from age 14-18 with a talent for comedy to unleash their comic voice. This can be through stand up, sketch or musical comedy – any format goes as long as it is only 3-5 minutes long! State Final winners go through to the National Grand Final, held at the Melbourne International Comedy Festival in April 2017. They'll also be in the running to win a \$2500 prize package for themselves and their school!

State Drama

The NSW Public Schools Drama Ensemble program represents the best drama students from Year 5-Year 12 from across the state. Like being selected for a state sport's team or being a state champion debater, these students now represent their school at the state level in drama. To gain a position in the program, students must audition against hundreds of others.

Each Wednesday after school they attend The Arts Unit in Lewisham to spend two intensive hours skills-building and devising a piece for the State Drama Festival in October. They spend over 100 hours throughout the year collaborating with other members of the ensemble to produce work of excellence that goes on display to the public and showcases the excellence of the arts in public education.

Schools can be very proud of their students who make the program. Drama Company this year will debut a play commissioned by The Arts Unit and written by Lachlan Philpott. Set in Australia in the not too distant future, we examine what choices teenagers may face in a new conservative world. Performed at NIDA on June 15-17,

tickets will go on sale in April.

Also note the dates of the State Drama Festival in your diary- the 26th and 27th of October. Held at the Seymour Centre tickets normally go on sale in August. The State Drama Festival features all 8 ensembles (minus Drama Company but including our rural and remote State Drama Ensemble) and also includes the best pieces from schools across the state.

We congratulate our students who made the NSW Public Schools Drama Ensemble program and we look forward to seeing their performances later in the year.

Bicycle Policy

Students wishing to ride their bicycle to school need to read the following and return the second page of this document with their parent's signature to the Front office.

Parents and carers are responsible for how their child travels to and from school. However, under duty of care, schools are responsible for the student once they have entered the school premises.

Since July 1 1991, cyclists of all ages have been required by law to wear a helmet. By law, all riders and passengers must wear an Australian and New Zealand Standards (AS/NZ2063) approved helmet. Helmets need to be securely fitted and fastened on the rider's head. Advice on how to correctly fit a helmet can be found in the RTA publication *Information for parents and carers about safety on wheels*.

Students wishing to cycle home from sport during school time must have the Principal's written permission and must **WALK** their bike to the venue and in the company of the teacher on duty. Once dismissed from the activity they must wear an Australian and New Zealand Standards (AS/NZ2063) approved helmet. Students without these helmets may not take part in cycling, on or off school grounds.

Children under 12 years, by law, are allowed to ride bicycles on the footpath unless there are signs that specifically prohibit cycling. Children aged between 10 and 12 years old should avoid cycling on busy roads (for example Windsor Rd). The Department of Education and Communities supports the RTA in this recommendation.

Cyclists over 12 years must not ride on the footpath unless it is signposted as a shared footpath. Cyclists, just as other road users, must comply with all road rules.

By law, bicycles must be fitted with a working brake and bell. This is a parent and carer responsibility.

Schools are obliged to notify parents and carers when a student is seen to be not wearing or incorrectly wearing a bicycle helmet when riding to or from school.

Once a student arrives at the school gates/boundary they must dismount from their bicycle and **WALK** the bicycle to the caged area adjacent to the Front office. They must provide their own lock to secure their property.

Although the school can provide an area for storage it cannot accept responsibility for theft or damage.

At the end of the school day, students put on their helmet and **WALK** their bicycle to the front gate or school boundary at which point they can then mount the bicycle for their journey home.

A handwritten signature in black ink that reads 'N. Vazquez'.
