## PRINCIPAL MATTERS

2018 is off to a wonderful start. The **Year 7 camp** was an exciting initiation for Year 7 students and by now all students have settled into the routine of classes and school life. School is a place of learning and I do hope students have thought about what they would like to learn this year, where they need to focus their energies and have thought about how they can be the best possible learner.

**Staff changes.** There have been a number of staff changes this year. The new Head Teacher HSIE is Ms R. Senthevadivel replacing Mr Gersbach who retired in 2017. New appointments in the HSIE faculty also include Mrs A Bird, Mr J Muller, Mr J. Hayton, Mr T.Tan, and Mrs C Cinque; in Science we have Mrs A Ashfaq, Ms I. Marchant and Mr A. Azim. In CAPA we are very pleased to have Ms N Lister in Visual Arts and Mr W. Duong in Music. Ms Koranyi is now permanently in Careers as our Careers Adviser and we welcome back Ms M Sammes who is relieving for Ms Tripodi while she is on Maternity Leave. We are also expecting a new Chaplain to relieve for Mrs C Freitag while she is on maternity leave.

Mrs Cinque has organised a wonderful excursion for Year 10 students and Year 11 Senior History classes to the Jewish Museum. She also managed to secure funding for all the students for transportation and entry so there will be no costs to families for this mandatory excursion.

There have been some **notable achievements** this year since school started. Daneal Gardiner, Shujaarth Ahmadi and Jaxon Moala of Year 11 have won Maxpotential Scholarships. The value of these scholarships is around \$25,000 which includes a leadership skill development program and a six month mentoring program with a community leader. A fabulous achievement- well done, Daneal, Shujaarth and Jaxon. Mishti Rastogi Year 11 has been nominated for a UBS Finance Academy Scholarship. The Academy, at Macquarie University, focuses on developing leadership skills and broadens students' perspectives of banking and the finance industry.

Jesmond Connolly Borg, Year 12 continues his journey through leadership not just at school but in the wider community. He has been selected from 4,000 students across the nation to attend the Constitutional Convention in Canberra later in the month. An outstanding achievement and we look forward to hearing of Jesmond's experiences.

The Senior Prefects under the guidance of Mrs Kennaugh along with the Librarian are planning to celebrate Northmead CAPA High International Women's Day on the 8<sup>th</sup> of March. We look forward to this important celebration of Women and their achievements. Our senior leaders will also be attending the 25<sup>th</sup> Zonta Celebration for International Women's Day at the Novotel.

The first of our social events for the year: our **Year 7 Parent Mocktail** evening is on in the Hall this Wednesday starting at 6pm. This is the first time our parents will have the opportunity to meet class teachers. It is a great informal way for Year 7 parents to meet

# PRINCIPAL'S REPORT

their child's teachers and an opportunity to ask all those little general questions you'd like to have answered. The focus is for the evening to be a social evening forming the connections that are so important. Don't forget to bring your child's class and teacher list with you, otherwise it might be difficult to identify the teachers. Parents who attend the evening are always appreciative of the opportunity to meet class teachers. And of course our Hospitality students always amaze us with Mocktails and stunning canapés.

**Parent Teacher Night Year 7** where you can specifically enquire about academic progress of your Year 7 child is Week 10, 3rd April in the Library/ Science Block

**Interim reports for Years 7 and 11** will be uploaded to the Parent Portal by the end of week 9 providing useful information, identifying areas of strengths for students and in particular areas where students can improve or direct their energies to achieve at an even higher level. If you would like to comment on the reports or make any suggestions, please do not hesitate to call me.

**Parent Teacher Nights** for Years 8, 10, 12 is Week 11 Tuesday the 10th April and Week 10 for Years 7, 9, 11 Tuesday the 3rd April. This term the interviews will take place in the Library and Science Block.

Drama Students this year have been very successful in winning places in the **State Ensembles** and NSW State Drama Camp. What an achievement! This is real recognition of the performance skills of our students AND a tribute to the wonderful teaching of Ms Garcia-McCabe, Ms Cullen, Ms Sammes, Ms Tripodi and Mr Flanagan. We all look forward to seeing the state productions later in the year.

Two students Hayley Osborne and Curly Russell have been selected as Ambassadors for the 2018 Griffin Ambassadors Program. This is an exciting opportunity for Curley and Hayley to immerse themselves in theatre.

# PRINCIPAL'S REPORT

Once again Northmead CAPA High School is proudly co-hosting with the Uniting Church, Northmead, the inspiring **Stations of The Cross Exhibition**. The Exhibition will be opened by the Reverend Simon Hansford, (Moderator of the Uniting Church of NSW and ACT) at 7.00pm on Thursday 22<sup>nd</sup> March. The exhibition will be open from 10am to 4pm each day from Friday 23<sup>rd</sup> March until Sunday 1st April. Original works of art by leading Australian artists will be exhibited. This is an exciting community project which I hope you will have the time and inclination to view the outstanding works.

Finally I would love to acknowledge the outstanding HSC achievements of our 2017 HSC students. They should all be very proud of their magnificent achievements. All the hard work and dedication paid off. Congratulations we are very proud of you. Congratulations are also due to Justin Saji who is Dux for 2017 with an ATAR of 98.5. Special mention should also be made of full university scholarships awarded to Justin Saji for Engineering at NSW; Christina Rhee for Music at the Conservatorium and Neda Bahrami for International Studies and Law at UTS. Well deserved!!

## Senior Leaders visit Yr 7 Camp!

---

They fell from the sky, they flew through the trees, they were drenched from the water and covered in mud.....but they were having a WONDERFUL time!

**Siblings!**

WELCOME TO YEAR 7 CAMP!

# YR 7 CAMP

Some of the senior leaders volunteered their time to attend the year 7 camp in Morisset on the 14<sup>th</sup> and 15<sup>th</sup> February, helping with group activities and encouraging the students to “give it a go!”. It was difficult to tell who was having the best time.....!

One group of girls was seen racing the school captain, Mitchell Farrugia, in their canoe and splashing him with water (a lot of water) ..... but what happens at camp..... stays at camp.... I guess we'll never know who it really was.....

The prefects said they REALLY LOVED attending camp and getting to know the younger students. They enjoyed chatting with them, playing games with them and sharing in the fun activities together.

Someone said the milkshakes were very good too!

Thank you Mr Gamble for driving the prefects on the school bus, and thank you Mrs Vazquez for this wonderful opportunity.

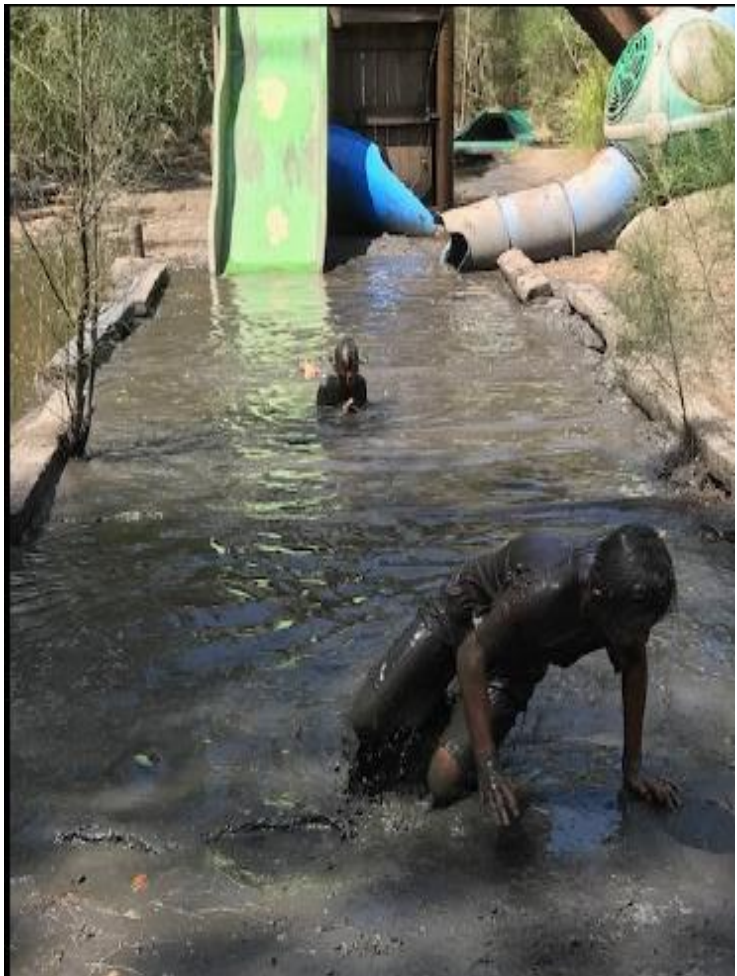

Mrs Kennaugh

# DRAMA NEWS

OnSTAGE

This year students from Year 11 and 12 Drama attended **OnStage** 2018 at the Seymour Centre, showcasing excellence from the 2017 Higher School Certificate Performances and exhibition by HSC Drama Students.

**OnSTAGE** 2018 comprising two programs of outstanding Drama performances ran from Saturday 3 February to Friday 9 February 2018 at 1.30pm and 7:30pm in the York Theatre. Each program featured four individual performances and five group devised works.

The **OnSTAGE** exhibition Exemplary individual projects by HSC Drama students were on exhibition in the upstairs foyer of the Seymour Centre from Saturday 3 February to Friday 9 February 2018. Projects include outstanding designs in costume and set, promotion and program, and theatre review.

Our students witnessed inspiring work from various schools around the state. They watched both programs and were quick to select their favourite pieces. This excursion is to provide our students with some inspiration before

engaging in their Individual and Group performances. We find that students who have attended have benefited in developing their performance pieces.

**OnSTAGE** celebrates the quality and standard of student achievement possible through the NSW Creative Arts curriculum. **OnSTAGE** represents a conviction that participating in the creative and performing arts is a vital part of students' education, critical to their preparation for the complex life and work environments of the 21<sup>st</sup> Century.

The HSC Drama syllabus provides a scope for students to engage in many facets of theatre production from **OnSTAGE** performances, both as groups and individuals, to the backstage through costume, set and lighting design as well as theatre criticism, research, scriptwriting, publicity and video production.

### SRC Report

The Student Representative Council ( SRC) at Northmead CAPA High School, works democratically to represent the student body within school decision-making as well as organising ways for students like us to engage and participate with dedication and pride in our high school experiences.

During these first few weeks, we have voted on a constitution in order to better govern our roles and responsibilities within the school. An election was held in our first meeting for the following positions:

- Chairperson ~ This role is represented by Jeremy Hare, of Year 10
- Secretary ~ This role is represented by Teah Bell, of Year 10
- Treasurer ~ This role is represented by Olivia Brown, of Year 10
- Publicity Officer ~ This role is represented by Kiana Gashtirajaie, of Year 10

The students have an outstanding initiative and commitment when it comes to setting goals. Our goals for this year include:

- Make a Wish Foundation Fundraising & Awareness
- National Day of Action for Bullying & Violence Day Fundraising
- World's Greatest Shave Fundraising
- Return & Earn Scheme
- Bike Rack Grant
- Mission Australia Sleepout

We hope to complete and satisfy all of these goals by the end of the year.

Our most recent and upcoming events:

- As part of a Community Service Initiative, student leaders are involved in a Social Justice Program with residents from the Constitution Hill Aged Care Facility. The program will consist of regular visits to the Constitution Hill Aged Care each Wednesday afternoon, 2:30 pm - 3:30 pm.
- We will also be sending delegates from our SRC committee to the International Women's Day Breakfast in Parramatta.
- On the 23rd of March 2018, we will assist the Multicultural Committee in the organisation of Harmony Day.

As a whole student body, our main goal for this year is to create a more fun, safe and balanced environment, not just for our school but for our community.

## NEWS FROM THE LANGUAGE (LOTE) DEPARTMENT

### *Introducing our Japanese volunteer assistant teachers*

It is with great pleasure that Northmead CAPA High School welcomes volunteer Japanese assistant teachers Mr Yusuke Sugiyama and Ms Saki Tsubaki. Both assistants will be working throughout term 1 with students of Japanese from Year 8 to Year 12, we are extremely lucky to have them. They are both very enthusiastic in the classroom, assisting students with their understanding of Japanese language and culture in the junior years and enhancing learning experiences in the senior years by providing various student support, including valuable HSC speaking skills practice. Please join us in welcoming Mr Sugiyama and Ms Tsubaki to our school community and please also encourage the students to try out their Japanese language skills by speaking as much Japanese as they possibly can to the assistant teachers when they see them.

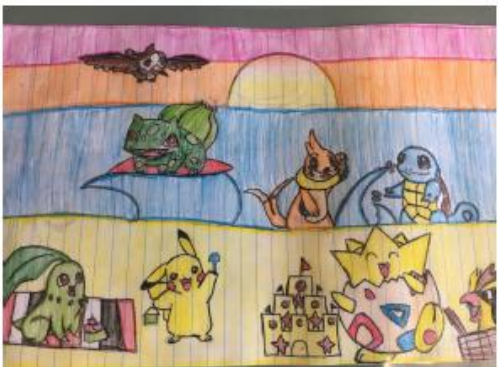

## **Introducing Bunka-bu (AKA Anime/Manga club)**

In 2017 some very enthusiastic students of Year 10 Japanese instigated a club to cater for students who are interested in Japanese culture, anime and manga. Hence our club, Bunka-bu (culture club), was born. The club is supervised by Larissa Mitchell (Japanese teacher), however is run by students for students with the aim of encouraging and enhancing the understanding of Japanese culture and language. The club meets at lunchtime on a Tuesday in Week B and all attendees have the opportunity to try a Japanese snack. The club door is always open and any interested students are encouraged to attend, currently the spread of students are from year 7 to year 12. Each term we run a manga drawing competition, submissions are judged by the creative arts teachers and 1st 2nd and 3rd place all receive a small Japanese prize. The competition this term is POKEMON IN A HOLIDAY DESTINATION, we have received 2 early submissions from Anahera Morrison in Year 8 and Alegra Penrose in Year 7, we look forward to receiving more submissions by the week 8 deadline. Prize winners to be announced in term 2.

## Science News Update 1:

The science faculty starts its year with lots of Chemistry!

Year 12 prepare for their HSC journey with a variety of experiments to accentuate their learning experience and reinforce their learning.

Year 11 Biology head off to Penrith lakes to investigate Ecosystem Dynamics as part of their in-depth studies on Thursday 1<sup>st</sup> March. This unique and highly engaging program allows students to perform a first-hand investigation to measure a range of abiotic and biotic factors in a freshwater ecosystem using various scientific equipment and data collection methods. Students measure populations of organisms using sampling techniques. Students then analyse the data collected and observe the abiotic-biotic relationships that exist and their interdependence. An example of a recent local extinction event through predation is explained. There is also a look at past and future ecosystems at Penrith Lakes.

As for our newest members; Year 7 students begin their scientific journey here at NCAPAHS with safety in mind! As they settle into the high school environment, they are introduced to science with 'Being a Scientist' as their first topic which is an important topic that ensures students are aware of the safety aspects in the science lab.

This topic also comes hand in hand with their first cross curricula PBL task 'Safety', which allows students to immerse themselves in 21<sup>st</sup> century skills and take ownership of their learning.

Creative and Performing Arts High School

13 February 2018

Dear Parent/Caregiver

Over the past several years Northmead Creative and Performing Arts High School has been implementing a Gifted and Talented Academic Program, the entry to which has become extremely competitive.

Selection into this academic program is based on an entrance examination. This year, for the 2019 placement, we will be conducting a Higher Ability Selection Test (HAST). Please note that this program is for selection to the academic program, rather than the Creative and Performing Arts stream. However, the two streams are not necessarily mutually exclusive. The cost to parents for this examination is \$69.00 payable on application (non-refundable).

Testing will occur on **Tuesday March 27<sup>th</sup>, 2018** from 9.00am to 1.00pm at Northmead Creative and Performing Arts High School in the library. There will be four (4) tests which will include:

- Reading Comprehension
- Written Expression
- Mathematical Reasoning
- Abstract Reasoning

There will be a short break between tests.

Candidates who arrive late for the first test will be admitted only at the discretion of the supervisor, and additional time will not be allowed.

Parents who are interested in applying for a placement in this class should in the first instance contact the school for further details and ask to speak to Debra Burt or the Principal, Narelle Vazquez or the Gifted and Talented coordinator, Alese Bottrill .

**Please attach a copy of your child's most recent school report with your registration form and payment.**

Yours faithfully

A Bottrill

## Reinforcing safety in school zones

8 February 2018

Seven new school zone offences enforced from 1 February 2018.

To help schools keep the school zone safer for all pedestrians and drivers there are seven new traffic offences with new fines.

None of the seven offences attract demerit points when committed elsewhere on the road but now in a school zone they each come with two points.

2. Stop within 20m of intersection (traffic lights) - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
3. Stop within 10m of intersection (no traffic lights) - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
4. Stop near bicycle crossing lights - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$439 and 2 demerit points.
5. Obstruct access to ramp/path/passageway - Under the changes if a driver commits this offence in a school zone they will receive a penalty of \$330 and 2 demerit points.
6. Not parallel park in the direction of travel - Under the changes if a driver commits this offence in a school zone they will receive a \$330 fine and 2 demerit points.
7. Parallel park close to dividing line - Under the changes if a driver commits this offence in a school zone they will receive a \$330 fine and 2 demerit points.

## Bicycle Policy

*Students wishing to ride their bicycle to school need to read the following and return the second page of this document with their parent's signature to the Front office.*

Parents and carers are responsible for how their child travels to and from school. However, under duty of care, schools are responsible for the student once they have entered the school premises.

Since July 1 1991, cyclists of all ages have been required by law to wear a helmet. By law, all riders and passengers must wear an Australian and New Zealand Standards (AS/NZ2063) approved helmet. Helmets need to be securely fitted and fastened on the rider's head. Advice on how to correctly fit a helmet can be found in the RTA publication *Information for parents and carers about safety on wheels*.

Students wishing to cycle home from sport during school time must have the Principal's written permission and must **WALK** their bike to the venue and in the company of the teacher on duty. Once dismissed from the activity they must wear an Australian and New Zealand Standards (AS/NZ2063) approved helmet. Students without these helmets may not take part in cycling, on or off school grounds.

Children under 12 years, by law, are allowed to ride bicycles on the footpath unless there are signs that specifically prohibit cycling. Children aged between 10 and 12 years old should avoid cycling on busy roads (for example Windsor Rd). The Department of Education and Communities supports the RTA in this recommendation.

Cyclists over 12 years must not ride on the footpath unless it is signposted as a shared footpath. Cyclists, just as other road users, must comply with all road rules.

By law, bicycles must be fitted with a working brake and bell. This is a parent and carer responsibility.

Schools are obliged to notify parents and carers when a student is seen to be not wearing or incorrectly wearing a bicycle helmet when riding to or from school.

Once a student arrives at the school gates/boundary they must dismount from their bicycle and **WALK** the bicycle to the caged area adjacent to the Front office. They must provide their own lock to secure their property.

Although the school can provide an area for storage it cannot accept responsibility for theft or damage.

At the end of the school day, students put on their helmet and **WALK** their bicycle to the front gate or school boundary at which point they can then mount the bicycle for their journey home.
