**When:** Friday, March 6 2020

**Cost:** \$11

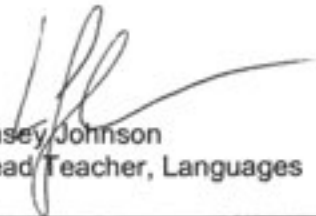

This fee has been included in your term 1 school fee invoice, please make prompt payment and before the event date if possible

Dear parent / caregiver,

On Friday, **March 6 2020** students studying Japanese in Year 8 will have the opportunity to experience a performance of Japanese Taiko drumming by YUNION, followed by a workshop which will take one period. Students must come prepared for normal lessons for the remainder of the day. The sessions will be held in the school hall and all students must wear full school uniform. Participation in this workshop will supplement the mandatory Japanese language course by building the students' knowledge and appreciation of Japanese culture.

YUNION has visited Northmead CAPA High School in the past and their performance and workshops were thoroughly enjoyed by all. The performance and workshop introduces students to the power of Taiko drumming and Japanese culture. All students will have the opportunity to participate and learn basic rhythms and play a piece of music on the drums
